Dmytro Huzov

Junior Front-End developer

Phone: *+380 50 881 58 34*
Email: *dimahuzov99@gmail.com*
Date of birth: *08.05.1999*

Personal statement

I am 21 years old, I am an open and responsible person, an avid music lover and adore technology. In my free time I am doing sports, spend time with friends or family, and also do self-development, read books or learning something new. I want to grow and develop. I am currently looking for a job as a junior front-end developer.
